

ISSBD Pandemic Keynotes are now available online

We were all very disappointed to have to cancel our 2020 meeting in Rhodes. BUT our keynote addressees have been held online, and we are very pleased to announce that the recordings of the first virtual pandemic keynote addresses are now available on ISSBD's Youtube Channel: www.youtube.com/issbd.

 Angelo Cangelosi, University of Manchester and Alan Turing Institute, UK
Developmental Robotics for Language Learning, Trust and Theory of Mind
<https://youtu.be/cCpkyS9I5Ec>

 Hiroko Akiyama, University of Tokyo, Japan
Challenges and Opportunities in the Aged Society
<https://youtu.be/q9LDmhV2Qik>

 Paul Harris, Harvard University, USA
