

International Journal of Behavioral Development

Published in association with the International Society for the Study of Behavioural Development

The world of science has gone international, and all developmental researchers are keen to keep up with international developments. The best way I know is to subscribe to **IJBD**, and read it!

ISSBD: CELEBRATING 50 YEARS!

Membership of the Society is open to people who are studying or have completed postgraduate training in one of the biological, behavioural, or social sciences and who are actively engaged in behavioural research on human developmental processes.

The Benefits of Membership

We have members in over 60 countries, meaning there are more opportunities than ever to network with other developmental scientists. Here are a few examples of the benefits you will receive as a member (see www.issbd.org for more details and additional benefits).

Access to the latest research on development across the life span and across the globe

- **Free** subscription to the *International Journal of Behavioral Development* – published six times a year, including access via SAGE Journals back to Volume 1
- **ISSBD Bulletin** twice a year, with up-to-date information on current issues and research – also available online
- **25% discount** on all SAGE books
- **Free** online subscription to both the *Journal of Early Adolescence* and the *Journal of Adolescent Research*

Grants, Awards and Early Career Support

- ISSBD offers resources for scholars in the early phases of their careers
- ISSBD provides grants to support early career researchers and students to attend conferences and workshops
- ISSBD provides Fellowships for early career researchers and students
- ISSBD recognizes members' accomplishments in the field of life span development through biennial awards
- ISSBD offers a mentoring program for early career scholars

Networking and professional development

- **Regular e-newsletters** with up-to-the-minute information on ISSBD, job adverts, grant opportunities and upcoming conferences
- **Reduced registration fees** for the Society's Biennial Meetings
- **Free access** to the electronic Membership Directory to find others with similar interests
- Members can attend, and propose, **regional workshops** on interesting topics

Playing an active role in ISSBD

- Members can serve on ISSBD committees; calls for nominations every two years
